

HEUSSEN: International Law Firm Network Multilaw Mentioned by Chambers in “The Elite” and by The Lawyer in “Network of the Year”

Munich, April 13, 2017: Multilaw, one of the largest networks of independent law firms worldwide, has been chosen by Chambers and Partners for its third mention in the Chambers Global guide “The Elite”. This makes Multilaw one of only ten law firm networks to be listed among the best in the Chambers guide. The publisher bases its choice on thousands of interviews conducted among lawyers, law firms and businesses.

Around the same time, Multilaw has been awarded “Global Network of the Year 2017” by renowned British publication “The Lawyer”. In their choice of award recipients, editorial staff members at “The Lawyer” were impressed by, among other factors, the technical innovations utilized by Multilaw, like the network’s recommendation & cooperation platform and key account management system.

HEUSSEN is a law firm member of Multilaw in Germany and, thus, along with its partner law firms in the Multilaw network, able to offer its internationally active clients comprehensive service in all legal affairs. Says Sven Hoffmann, Partner at the firm’s Stuttgart office and Member of the Board at Multilaw, “We render first-rate law consulting not only on a national, but international level as well. Which is why we’re particularly delighted to see that clients, competitors and trade publications recognize the quality of the network that we’ve been a member of for many years.”

Adds Christoph Hamm, Managing Director of HEUSSEN, “International clients find it essential to work with partners, who render their services in an utmost professional and pragmatic manner. In that sense, they can truly engage in our consultancy approach. With Multilaw, we can find the right partner law firms anytime we need to, right from our offices. We feel really good about all the honors the network has received.”
